2.6.1 Council of Past Presidents
The Bylaws establish a Council of Past Presidents as a mechanism for the past presidents to continue to make valuable contributions to the Association.

2.6.1.1 Purpose
The purpose of the council is to:

- Enable the past presidents to advise and counsel the President and Board on Association matters from their unique perspective of experience and background.

- Provide an opportunity for fellowship for past presidents.

- Perform such other duties and responsibilities as may be assigned by the President and/or Executive Director/Secretary, with approval of the Board.

2.6.1.2 Membership and Attendance at Board Meetings
The Council of Past Presidents will consist of all past presidents of the Association who serve on the council until each is no longer able to or wishes to serve. Members of the Council of Past Presidents are invited to attend and participate in the Association’s Board meetings and other special events.

2.6.1.3 Honorary Life Membership
All past presidents are granted an honorary life membership in the Association.

2.6.2 Committees

2.6.2.1 Purpose
Committees are an integral part of the Association’s activities and policy development. Structured to include representation from all 10 of the Association’s regions, committees provide key technical and policy input to the Board and bring together expertise and members’ perspectives from across the state. The subject matter focus ranges from water management/quality and federal/state legislation to membership and communications.

Committees elevate issues of importance to the Board for information and action. Additionally, the Board may assign specific policy and technical work to committees before determining a specific course of action.
2.6.2.2 Duties and Authority
The Association’s committees provide key technical and policy input in support of the Board’s approved goals and objectives, consistent with the parameters established by Bylaws and policies.

Committees will develop an action plan at the beginning of each term consistent with and in support of the Board’s adopted Strategic and Business Plan. The action plan will include:

- A discussion of the goals for the committee’s term.
- A detailed work plan and schedule for accomplishing the goals.
- A list of committee member assignments to meet the schedule.

Following the Board’s adoption of the Strategic and Business Plan, committees will submit their action plans to the Board for review and concurrence with the Board’s approved goals and objectives. Following the Board’s review, the action plans for each committee will be forwarded to all committee chairs to facilitate coordination between committees on matters of mutual concern.

Committees will evaluate their action plans at the end of each term and make appropriate recommendations for consideration by the newly appointed committee.

Each limited standing committee will have a membership composition that is comprised of members in the quantity and with qualifications as defined by the provisions of the Association’s Bylaws and as defined in Board policies. The committee chair position will not be included in the maximum count for
determining the committee composition total of any given limited committee. The committee chair will, however, be a voting member of their respective committees subject to the rules and procedures of each committee.

2.6.2.5 Appointment Process
In order to serve on any standing or regular committee, an individual must be an officer, employee, or member of the governing body of a member agency of the Association, or other representative duly designated by a member agency of the Association to represent that member at the time of the appointment. A duly designated representative will not have access to member benefits unless they are affiliated with a member agency, associate, or affiliate of the Association. If an individual ceases to meet these criteria during the term of the appointment, the individual may not continue to serve during the remaining term of that appointment unless that individual can again meet the criteria for appointment and is appointed to complete the term.

All committees of the Association will strive to provide continuity in leadership, geographically distribute membership, and ensure all regions are adequately represented.

Association members will submit nominations for committee appointments in writing for consideration by the region chair and vice chair. If an agency chooses to designate a representative other than a director or salaried staff member, written confirmation to that effect must be received in the Association's office prior to appointment consideration. Nomination forms can be obtained from the Association office.

For purposes of determining membership on a limited committee, only one agency representative may be appointed with the following exceptions:

- Two members from the same agency can be represented on a limited committee when one serves as the committee chair as the chair position is not included in the maximum count for determining the committee composition total.

- Other individuals representing the same agency may serve on subcommittees of a given limited committee.

The President will appoint all committee chairs, vice chairs, and members, who will serve for a two-year term to coincide with that of the President. The term of the standing committee chairs and vice chairs will commence as soon after January 1 of the even-numbered year as they may be appointed by the President and ratified by the then-seated Board. The President will make the committee appointments following the recommendations submitted by region chairs and vice chairs.

2.6.2.6 Vacancy Appointment Process
When a vacancy occurs on any given committee throughout the two-year term, the President and affected region chair will fill the vacancy consistent with the eligibility criteria set forth in Policy 2.6.2.5 and committee composition criteria set forth in Policy 2.6.2.10.
2.6.2.6.1  **Deadline for Filling Vacancies**
Committee vacancies occurring in the odd-numbered year after July 31 will remain vacant until the next term.

2.6.2.7  **Attendance**
If any committee chair has two consecutive, unexcused absences from their respective committee meetings, the President will appoint a new committee chair. Two consecutive, unexcused absences from a limited committee will constitute a resignation, and a replacement will be named as soon as possible thereafter.

2.6.2.8  **External Liaison Committee Member**
